

CCIU Esports Immersion with HU Storm

Chester County students are invited to attend a week-long training co-hosted by the Pennsylvania Scholastic Esports League and the Harrisburg University STORM.

Students will learn strategy, game play, shoutcasting, and more as they collaborate throughout the camp. Content will range from popular Esport titles such as League of Legends, Overwatch, Fortnite, Rocket League, Knockout City and possibly more! Additionally, students will learn about the extensive variety of careers related to esports and test their hand at the skills needed to succeed in those jobs.
